Ask the Analyst

Have you submitted your research question yet?

Sign up to **RAJ Pharma** today and you can benefit from our new, **FREE Ask the Analyst** consultation service.

Ask the Analyst gives you direct access to our expert analyst team. Simply ask your research questions and our analysts will do the research and get back to you with the information you need.

Use Ask the Analyst to:

- Build up your regulatory intelligence
- Learn how to navigate the regulatory minefield with actionable advice from our experts
- Understand how regulatory developments might affect the industry with the Analyst's expert insight
- Request research into a specific topic of interest to you;
- Source supplementary data and guidance relating to published articles
- Request background information on/explanation of articles that have been published on rajpharma.com

“ I found your "Ask the Analyst" service to be one of a kind, as it was not only very personalized, content worthy, to the point and fast, but was **FREE** to subscribers. The information the analyst provided was for a new area that I have not been familiar with previously, helped me focus my thinking in the right direction. Thank you.”

Amirtha Naadimuthu,
Managing Director,
CPI - Sanofi-aventis
